

# North Hall

The floor plan of the North Hall is divided into several sections. The top section contains booths for CIENA Corporation, JGR Optics, Infirera, and OFC Expo Theater I. The middle section features a large area for Poster Sessions and a section for Exhibitor Service Desk. The bottom section includes booths for Lumiprint, Expo Theater II, and various concessions. The plan also shows fire lanes, concessions, and entrance points. A red arrow points to the main entrance, labeled 'ENTRANCE' and '出入口'.
